The background features a white space with several colorful circles and dashed lines. On the left, there is a large teal circle with a white center, a smaller teal circle, and a green circle with a white center. On the right, there is a large yellow circle, a green circle, a pink circle, and an orange circle. Dashed lines in teal and yellow connect some of these circles, creating a network-like pattern.

A Brief History

1

Rookie Year

- 
- I.AM.Robot was officially founded in December of 2012
 - 7th Year Competing this Year!!
 - Group of 12 devoted students and 4 mentors
 - Team 4810 won the State of Michigan Rookie All-Star Award and was able to travel to St. Louis to compete in the World Championships.

The background features several decorative elements: a large orange ring with a dashed red inner circle in the top left; a large teal ring in the bottom right; a large teal number '2' inside a dashed light blue circle in the center; and various smaller solid and dashed circles in green, yellow, pink, and cyan scattered throughout.

Things to Say about
Our Team When
Talking to Important
People

- We are a team that includes ALL of Macomb County
- IB :))
 - We are well rounded pupils
- We are a all student run team with guidance from mentors
 - Meaning we cut, write, assemble, and approve all of our own materials
- We are a relatively new team
 - Most teams are 5-10 years older than us
- Personal Stories
 - Example: Robotics made me a more confident person and was a motivating factor to stay at the IA because u made lifelong friends and learned skills for my future career in
